## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-13 are allowed.
2. The following is an examiner's statement of reasons for allowance: None of the prior art of record teaches an image forming apparatus comprising control means for controlling the image forming means to form a predetermined image composed of dot images with a predetermined density, form a composite image from the normal image and the predetermined image; and form the dot images in a dot area having the normal image and the predetermined image overlapped with each other with a density determined on the basis of a relationship between a density of the normal image and the predetermined density in the dot area.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Bisaiji discloses method for enhancing the quality of the toner image transferred to a recording medium using dot toner images formed in the final image to prevent toner image from being dislocated.
